Getting God's Attention

“Do not imagine that if you meet a really humble man he will be what most people call ‘humble’ nowadays: he will not be a sort of greasy, smarmy person, who is always telling you that, of course, he is nobody.”

Getting God's Attention

“Probably all you will think about him is that he seemed a cheerful, intelligent chap who took a real interest in what you said to him. If you do dislike him, it will be because you feel a life envious of anyone who seems to enjoy life so easily. He will not be thinking about humility: he will not be thinking about himself at all.”

—C. S. Lewis
