SONGS FOR SUMMER

The A-B-C's of Seeking God's Direction

All I can do is turn to you, O God

Because I trust in you!

Carry me through this crisis, Lord

Don't let me fall or do anything that
would cause

SONGS FOR SUMMER

Even a hint of dishonor to You!

For I long to know You, O God

Guide me in your ways

Help me follow you in all I do.

I know you are a God of mercy and love

SONGS FOR SUMMER

Justifying sinners like me by your
grace

Kindness and goodness come from you

Lead me in your paths, O Lord

Make me to know what is right

SONGS FOR SUMMER

Never let me forget that your ways are
loving and faithful

Only forgive me when I have strayed
from your way

Place my feet back on the path you
have chosen for me

Quiet my heart to listen to your voice

SONGS FOR SUMMER

Return me to that close walk with you
Sin dogs my path, but your grace is
greater still
Take my troubles away and save me
Until all those who seek to destroy me
are gone
Victory is found in you, Lord,

SONGS FOR SUMMER

Whoever takes refuge in you finds hope.

eXamine me for integrity and uprightnes, God

You are the One who knows my heart.

Zion needs you now, Lord! Redeem us from all our troubles!
